

PUBLIC INFORMATION PROGRAM

Open communication with the district's students, parents/guardians, employees and the public is essential for the school district to operate effectively. The Pleasant View R-VI School District Board of Education places high importance on conveying information concerning the district's goals, achievements, activities and operations to these groups.

The district will make a systematic effort to communicate with the public using a variety of communication channels. The Board of Education authorizes the expenditure of funds for the purpose of preparing and distributing information to the general public. Employees and Board members will maintain an effective working relationship with the news media.

Spokespersons

The superintendent, Board president or designee will serve as official spokespersons for the district. All employees and Board members will direct requests for official statements about district business from the public or members of the media to the district's spokespersons. Board members should emphasize to the media and members of the public that they may only speak as individual Board members unless empowered by the Board to speak on its behalf.

Communications Plan

The Board directs the superintendent or designee to develop and disseminate written guidelines to further the goals of this policy, including a communications plan that aligns with relevant Board policies and administrative procedures and addresses:

1. Guidelines for employees communicating with the media.
2. Communicating during emergency situations.
3. Use of the district's website and social media.
4. Sharing information within the district.
5. Sharing information with the public.

Effective Communications

The district recognizes that Board members and employees have regular contact with students, parents/guardians and the public in general. When interacting with the public, all district employees and Board members are responsible for communicating accurate information about district policies and programs and promoting effective school-home-community partnerships. District employees will not be disciplined for speech that is protected by law.
