

STUDENT TRANSPORTATION SERVICES

The Board, in accordance with state law, may provide free transportation for eligible students attending the district's schools. The superintendent shall ensure that the transportation services of the district meet all of the requirements established by the Missouri Department of Elementary and Secondary Education as well as the policies that pertain directly to the qualifications of transportation operators and operational procedures adopted by the Board of Education.

Resident students living three and one-half miles or more from school will be entitled to free transportation to and from school. The Board of Education may also provide transportation to resident students who live less than three and one-half miles from school.

Transportation for a student with a disability will be provided if the IEP team determines that such transportation is necessary as a related service due to the student's disability. Transportation for special education students or students classified as homeless will be provided in accordance with law.

The superintendent shall ensure that the transportation services of the district meet all state and federal laws as well as other requirements of the Board of Education. Students may be transported in leased vehicles, private vehicles, common carriers or other contracted transportation as allowed by law and permitted by the Board. All district employees or other persons who drive district-owned or district-leased transportation or who transport students in private vehicles as an agent for the district must meet applicable state and federal laws as well as district policies and procedures.

The superintendent will present to the Board a plan for student transportation services for the district no later than the end of October of each year for initial approval and no later than the end of June for the final approval of modifications made during the school year. The plan should follow the procedures set by the State Board of Education.

Transportation Records and Reports

The superintendent or designee shall provide for the proper accounting of student transportation records and reports in the school district and shall be responsible for preparing and submitting to the State Board of Education the necessary reports for apportioning state transportation aid, in addition to reports for statistical purposes and for the proper maintenance and administration of the district's transportation services.

District Transportation Safety

School officials must provide safe transportation of district students to and from school. Drivers, students and district personnel will follow all laws and district policies and procedures.

District vehicles carrying students will be considered extensions of the school environment. Any student whose conduct on district transportation is improper or jeopardizes the safety of other students may be suspended from district transportation services and may be disciplined in accordance with district policy. Uniform rules of conduct and disciplinary measures will be enforced. Students with disabilities will be disciplined according to law.

Access to all district transportation is limited to authorized riders and staff. All district staff and drivers shall report any instance of trespass to appropriate administrators and law enforcement agencies.

Special Use of District Transportation

District vehicles will be used solely for district-sponsored activities, including district extracurricular activities and organizations.

NOTE: For further information, see the *School Transportation Administrator's Handbook*.
