

Policy DFA: REVENUES FROM INVESTMENTS/USE OF SURPLUS FUNDS Status: ADOPTED

Original Adopted Date: 5/13/14 | **Last Reviewed Date:** 5/13/25

The board authorizes the superintendent to invest surplus school district moneys that are determined as not being immediately needed for the operation of the school district. The superintendent is authorized to delegate this authority to another administrator with the knowledge and skills necessary to manage the district's investments. The superintendent or designee shall follow procedures established by the board in making investments and obtaining the best interest rates possible. Collateralized investments will comply with the requirements of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989.

Unless and until the board formally adopts and directs the district to comply with a customized written investment policy upon professional advice from a registered investment advisor, the board adopts and directs the district to follow the Missouri State Treasurer's Model Investment Policy, as may be amended from time to time, which is incorporated herein by reference.
