27 responses

Does the school nurse adequately communicate when regular immunizations are required by school policy are due?

27 responses

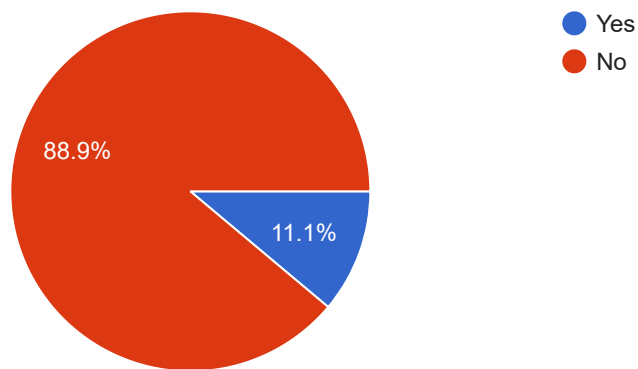

Does the school activity program allow your student to participate in healthy, appropriate physical activities?

27 responses

Do you have any changes you would recommend to the wellness program at Pleasant View?

27 responses

Any additional comments or concerns?

3 responses

No concerns

Possibly more structure for recess needed

Pleasant View is a great school! Awesome teachers and wonderful kids.
